

Jesus, The Way, The Truth, The Life,
Let us take courage from your sacrifice,
Let us stop, take time in this busy world and
reflect to appreciate the gift and wonder of
new life.

You made the ultimate sacrifice so we will be
forgiven our sins,

For that, we will be forever grateful and follow
in your footsteps always.

May you bless us Lord, and all who we love,
And grant us eternal life in Heaven with God
the Father.
