Computing National Curriculum Expectations KS1	**Year 1**			**Year 2**		
	Autumn	Spring	Summer	Autumn	Spring	Summer
understand what algorithms are; how they are implemented as programs on digital devices; and that programs execute by following precise and unambiguous instructions						
create and debug simple programs						
use logical reasoning to predict the behaviour of simple programs						
use technology purposefully to create, organise, store, manipulate and retrieve digital content						
recognise common uses of information technology beyond school						
use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.
