Non – Compliance

If a child attends school without the correct uniform then school staff will question the child to find why they are not in uniform. School staff will log the incident. On the third occasion, school staff will contact the child's parent/carers via parent mail. This will be a simple reminder to parents/carers. If following this the child again comes to school without the correct uniform then school staff will telephone parents/ carers to discuss the issues. Staff may ask parents to bring the correct uniform to school. If a child repeatedly breaches the uniform rules then the child's parents/carers will be asked to attend a meeting with the school senior leaders and members of the governing body.

If you require support or assistance in providing uniform please let a member of school staff know or telephone 01946 66356. We may be able to help.

Reasonable Adjustments

We will consider reasonable requests to alter the school uniform, for example, for genuine religious requirements and reasonable adjustments for children. Reasonable adjustments may also be requested for those children who have specific special educational needs and / or disabilities, for example, for children who have sensory needs

.

Please label all items of clothing and footwear with your child's name.
