Year 2 Autumn (1)

Our R.E. Topic this half term is '**Creation and Covenant'.** Through this topic your child will have the opportunity to:

Creation and Covenant

"In the beginning God created the heavens and the earth." (Genesis 1:1)

The Bible

Explore the Bible and understand that it is the most important book for us because it is given to us by God to help us understand how much He loves us and to help us remember His very special covenant and promises.

God's knowledge and care

Ask how we know that God knows everything about us and learn that this is a mystery, but it is true. The children will understand that it was written in a psalm in the Bible many thousands of years ago.

The mystery of the Holy Trinity

The children will learn that before anything existed. God existed as Father, Son and Holy Spirit. Three persons in one God, which we call the Trinity.

Signs and Symbols of baptism

Learn that baptism is a sacrament and is a sign of Jesus' love for all people and welcomes them into the Christian family. The children will learn the meaning of the symbols used in the sacrament of Baptism.

God's promise to Noah

Learn about the story of Noah and his ark and it is a story from the Old Testament in the Bible. The children will learn that people turned away from living good lives but through Noah God opened up a way to save them by giving them a new beginning.

Joining the Christian family

Learn that as well as our own special family, we are all members of God's family. Then there is another family made up of people known as Christians, people like us, who love God and want to live as Jesus lived. They will find out a little bit about their own baptism (if they were).
