Creation and Covenant

The story of creation:

Children will learn that the story of Creation is an ancient, prayerful, poetic reflection of God's world.

Caring for Gods world:
Children will recognise that God gave humans responsibility for taking care of the world and all the humans in it.

Children will discuss why caring for Gods world matters for them and their local community.

Children will discuss the different ways that they can care for the world.

Gods love and care for us:
Children will learn about the belief that Gods love and care for humanity is experienced through the beauty and order of creation.

Reognise that the church teaches that all that all that is, comes from God, Our Father, who created Heaven and Earth.

Recognise that although we cannot see God, we can experience his presence in the beauty and order of creation.

Laudato Si:
Children will learn that God wants us to love and care for the world because it is his gift for us.

By caring for the world, this is how we can show that we love and care for each

The Our Father:
Children will hear and learn the Lords prayer.

Children will celebrate that praying is a way we can be close to God.

The Nicene Creed:
Children will learn that the Creed is how the Church community prays to God to worship him.
